### JUNE 20 MEET

Yes indeed, we will have a meeting as usual at the normal time and place. Needless to say, we haven't had a lot of time to plan anything for this month's meeting out Fearless Leader will show a few of the slides he took at all those museums while playing nooky from last month's meeting.

We have a bit of business to catch up on before we forget. Firstly, to thank Triple Alliance for the Door Prizes at the April meeting and secondly to announce the winners from the May contest.

- MOST ORIGINAL EXCUSE FOR NOT HAVING A MODEL AT RECON 7
- "I had just finished my model this morning and had taken it out to the patio to photograph. When I returned with the camera, I saw the neighbor's cat scrambling over the fence with my model in its mouth." Interested in a slightly used cat? Contact Marc Hansen

It's taken a while to put it together, but this package constitutes an "after-report" for the recent RECON 7 Convention held in Seattle, and is being mailed out to all who participated in that convention. As a participant, this may be of interest to you if you; wondered what cities and areas were represented by attendees; wondered about the voting and what placed; wondered about the distribution of awards, or: wanted to contact someone you met, but whose address you lost of didn't get at the time. Comments or questions on the enclosed material may be sent to;

Bill Hawkins (IPMS/SEATTLE Treas.) 1602 N.E. 73rd Seattle, Washington 98115	Terry D. Moore (RECON 7 Chairman) 14515 6th Avenue N.E. Seattle, Washington 98155	Greg Reynolds (IPMS/SEATTLE Pres.) 12819 98th Place N.E. Kirkland, Washington 98033

(Also, we'd like to have a response from you on this -- whether or not you feel that something similar should be considered as the conclusion of a meeting by ALL future hosts, and what should be included in an "after-report" of this sort. As little as a postcard and a few words would be OK, but more than that would be welcome too. Replies to Bill Hawkins please, address above. Thanks.)
