Meeting Reminder - April 17

Greetings and welcome back to the monthly meeting reminder. Last month's omission was unfortunately ours. If however, you thought it was because you haven't paid your 1982 dues yet, please get them in soon. Dues are now \$5, and our Secretary is now Steve Lewis (821-1262, 13651 99th NE, Kirkland, 98033). We would like to get out a new roster next month, so be sure to have your dues paid before then.

Many unusual and exciting things were discussed and planned at this month's board meeting. Several new board positions have been created so we suddenly have a real need for your talents to fill the following posts: Librarian, Contest Chairman, Film & Slide Coordinator, Speaker Coordinator, Club Sales Representative and Representatives for Military Vehicles, Cars & Trucks and Civil Aviation. Details will be discussed at the meeting. To quote an Army Recruiter friend of mine, "Avoid the draft volunteer now".

This month's meeting will go something like this:

- 10:00 Doors open. Bring your models, tools and lunch.
- 11:30 Contest judging. Open contest, all subjects, all scales. Ribbons awarded to top models.
- 12:00 Business meeting. Contest results announced and plans for this coming year revealed.
- 12:30 Demonstration. Steve Lewis will show us how to get crystal clear glass from globs of colorless plastic.
- 1:00 Speaker with movie. F-15 operations. (Flying schedule permitting.)

See you on Mercer Island, *Loren*

IPMS POWER STRUGGLE FLARES In a brief but decisive round of arm twisting back stabbing and smoke filled back room power politicking, Greg Reynolds has successfully captured the position of Regional Coordinator for our IPMS Region 7. The former RC, Terry Moore, is expected to recover, as soon as he stops laughing. Anyone who has the slightest idea what a Regional Coordinator does, is urged to call Greg immediately.
