

IPMS Seattle, contact Loren Hansen 854-2185
26117 114th Ave SE, Kent, WA 98031

Meeting Reminder - Feb 20

Last month's meeting was rather eventful. First and foremost, our new president is Loren Hansen. Loren will be taking command this month and will surely need our help getting a cabinet together and a few plans off the ground. Another lightning decision by the electorate raised our annual dues to \$5, a move necessitated by the two postal increases this last year. Model of the Year was Matt Hargreaves' 1/72 Airframe DH.34. The Tag-Team Model winner was Terry Moore/John Greer's 1/48 scratchbuilt A-17. The auction proved to be very entertaining as well as raising nearly \$30 for the club. This month's meeting will go something like this:

- 10:00 Doors open: bring your models, tools and lunch
- 11:30 Modeling demonstration: Dan Rowbottom will show us how to make those itty-bitty WORKING hinges of his. Be sure to bring your optical aids!
- 12:00 Business meeting; featuring Loren Hansen, new Top-of-the-Heap.
- 12:30 Films: held over from December, B-17 and B-29 training films.
- 1:30 Son of Modeler's Memory Madness may yet be screened!

IPMS BELLINGHAM CONJUGAL VISIT #3, April 24, noon, Bellingham Public Library

These meetings are getting better each time. You should really make this one if you can. Beside the usual contest, friendly encounters with the over the border gang and the after hours rendezvous in Fred's basement, this meeting will feature as speaker an intelligence officer who was aboard the USS Liberty when it was attacked by the Israelis during the Six Day War. Very interesting.
