Meeting Reminder - January 16

Probably the first thing everyone wants to know is, who the new president is. Actually, we are without one right now. Due to the extraordinary circumstance last month (some 1800 kits were sold in Tacoma area Salvation Army stores), December's business was postponed. So, this month we will have the Elections, the Model of the Year Contest (please refer to last month's newsletter for eligible entries), the Tag Team Model Contest (I think at least four of these are done now!), and the January Bi-monthly Contest. We will also have an auction for those of you who "over bought" at the Salvation Army or have other surplus kits, books, decals, etc. (The usual 10% will go to the club.) If we have any time left, we will also show the all new "Son of Modeler's Memory Madness". Here's the schedule:

- 10:00 Doors open. Bring your models, tools and lunch. It could be a long one.
- 11:30 Business meeting. Elections, bring your own railroad.
- 12:00 Auction. Bring your surplus kits, books, decals and money.
- 1:30 Contest results. Model of the Year, Tag Team and January Bi-monthly.
? Son of Modeler's Memory Madness.

Our thanks to Matt Hargreaves for last month's canopy vacuforming demonstration.

Rumors

Would you believe a 1/72 injection molded YB-49 from a major manufacturer soon? The Monogram AC-130 will be 1/72. Combat Models 1/32 F-101, F-100, Corsair II, F8U F9F Panther & Cougar, Banshee, F-102, F-106, F-105, P6E, Buffalo, Kingfisher, SBC-3 1/72 Type VII U-boat (36" long) and US Fleet sub (52"), all in 1982.
