INTERNATIONAL PLASTIC MODELERS' SOCIETY

Bob Doran, President Scott Taylor, Treasurer Terry D. Moore, Editor

Thank you all for attending the last meeting. The turn out was great and there were a lot of fine models.

This month is the Pentathalon. If you had planned to enter but have not finished models in every category, bring them along with your finished items and you will get points for work completed.

Dues are still being collected for 1985. They are due by the March meeting. After that, you will not receive the newsletter.

IPMS Seattle is in need of a new Secretary/Treasurer. After giving 2 years of his modeling time to this position, Scott Taylor is relinquishing his post due to other activities. Thank you very much for a job well done. Now, is there anyone out there who would like this easy job of collecting money and signing checks? If I am going to have to do this job too...I would rather quit and go about my 1985 plans with work and racing. How about a little help out there from the rest of you plastic builders. A chapter this big should have all kinds of help. Thank you.

The 1985 Modelers Survey is included in this newsletter. Please fill it in and bring it to the next meeting. It will be used in future Chapter planning.

1984 MODEL OF THE YEAR

By popular decision the model of the year for 1984 is Harry Avis' Incredible DH 2. Well done and well deserved.

The judges voting for model of the year are as follows: JET AIRCRAFT: 1st: F 104, Rocky Rockwell; Mirage F1, Bill Osborn; F-86, Bill Osborn. PROP AIRCRAFT: DH 2, Harry Avis; P 47, Jim Hardison; Bf 109g, Bill Osborn. ARMOR: M3 Stuart, Rocky Rockwell; Opel Blitz, Doug Packard; Panzer, Rocky Rockwell. MISCELLANEOUS: Locomotive, Harry Avis; Samurai Warrior, Harry Avis; I-19 Submarine, John Williamson. JUNIOR: Snow Ski, Paul Avis; B-1B, Colin Moore; Sci-Fi Diorama, Paul Avis. Runners-up by popular vote were: P-47, Zerox, Mack Truck, Cologne 1945, Kenworth Tractor, Grand National Stock Car, Opel Blitz.

KINGSGATE LIBRARY CONTEST

For the 3rd year in a row, the Kingsgate "Friends of the Library" is holding a model contest. IPMS Seattle members will have models on display as well as judging the contest on Tuesday Feb 26. The contest is broken down by age groups: 7-under, 8-9, 10-11, 12-13, 14 & older. If you would like to display models (in a locked glass case) call Terry Moore 774-6343 (New ph #). For information on the contest, call Ida Miles at 821-7506.

MARCH KIT AUCTION

If you have old kits, tools, boxes of spares, or anything else that you no longer have a need for, bring them to the March meeting and we will auction them for you. If you do not have anything to auction and are looking for something interesting to buy, bring yer check books! There will be some interesting items. Old kits, new kits, Airfix kits, bags of sprue, anything! 10% of the proceeds of each sale will go to IPMS Seattle and the Museum of Flight. So clean out your closets. Terry Moore, resident auctioneer, will conduct the sale. If you have any questions please call at the new phone: 774-6343 (it's in Lynnwood, long distance from practically everywhere)

Bremerton, Washington

IPMS Bremerton, Wa. will host the 1985 Region VII Model Convention and Contest on May 4th 1985. The convention will be held at the Bayview Inn located at 5640 Kitsap Way, Bremerton. This convention and contest is opened to all plastic modelers.

The Bayview Inn is located just off Washington State Route 3. Take the Kitsap Way off ramp and turn left, then go up the hill, half way up on the right side is the Inn. The room rates are \$40 single and \$45 double. The phone numbers are 1-800-422-5017, outside of WA. 1-800-255-5022. You must make your own reservations by the 19th of April.

We have booked a two hour tour of the Puget Sound Naval Shipyard which includes lunch at the Officers Club. Because of security requirements, you must be a U. S. Citizen and send us your Social Security Number by the 19th of April. No cameras are allowed in the Shipyard. If we do not have the above information by then, you will be unable to take the tour. These restriction apply to the wives, but children may accompany their parents.

Of special interest to everyone, Paul Boyer the Associate Editor of "Fine Scale Modeler" will be attending the convention for a possible photo coverage in a forth coming issue of the magazine.

We are still working to get an interesting speaker, and do have several good leads.

RULES & CATEGORIES

Categories for the 1985 Region VII Convention are based upon the number of entries at the 1984 convention in Portland. If a substantial turnout in any category warrants it, additional sub-categories will be established. First and second place trophies and third place certificates will be awarded in each category. Additional awards of merit will be given for Best in Show, Judges Award, and People's Choice.

The Contest director will have the final say as to placement of entries and judges decisions will be final.

No model may be removed from the display hall before the awards banquet unless prior arrangements are made with the contest director AT THE TIME OF REGISTRATION: Many participants have come a long way to see the models -- let's give them a chance to see everything this time!!

REGARDING BASES

The members of IPMS Bremerton realize there has been considerable controversy as to whether or not plastic models competing in a contest should be placed on bases. The organizers of this event feel that modelers should be allowed to display their finished works in a manner which is most pleasing to them. The following rules will be observed:

- 1) The placement of an entry on a base with or without accompanying figures, groundwork, or other embellishments will not automatically constitute a diorama. This ruling will apply to single entries only, i. e. one aircraft or vehicle on a base. Only the subject will be judged in non-diorama categories.
- 2) Diorama entries only will receive credit for staging, originality, figures, and other embellishments. In this way we feel modelers and models alike will be best served and judged.
