

IPMS Seattle News Seattle Chapter IPMS USA May 2024

Greetings All – Welcome to ‘post-April’, 2024!

That was some show – I think it was among the best we’ve ever had; at least since the start of my involvement with the club. The model counts were as high as ever if you take out the unusual post-pandemic boost we experienced last year. Our show coordinator, Rick Taylor, will be giving us the numbers, but it seemed to me to be solid across the board. The level of expertise displayed on the tables was simply amazing for a local event, inspiring at every level.

The mail traffic I have received has, without exception, been highly positive. I would like to bring to your attention an email I received from a potential new member (Steve Dupree) that embodies the very reason we go through all the effort of putting the show on each year:

Hi Eric,

My daughter and I had a great time at the show!

I see that a general meeting is next weekend. What typically happens at these meetings? Is there any agenda? Do people just chat about modeling and show off their builds?

Thanks,

Steve

This is unsolicited gold; a potential new member, and a potential new modeler as well. We should all be proud of what we have accomplished, and where this club is going. Good job, all!

Our newsletter editor, Elbert Lin, working with Rick, our judges, and our webmaster, has spent the last week cobbling together the results from the show, and for the first time in our club history, created a hyper-linked newsletter dedicated to the event – and done it in time for our very next meeting. A herculean effort, Elbert. Thank you!

Public Disclaimers

This is the official publication of the Seattle Chapter, IPMS-USA. As such, it serves as the voice for our Chapter, and depends largely upon the generous contributions of our members for articles, comments, club news, and anything else involving plastic scale modeling and associated subjects. The views and opinions expressed in this newsletter are those of the individual writers, and do not constitute the official position of the Chapter or IPMS-USA.

Appeals for Newsletter Content and Usage Attribution

We need your content! You are encouraged to submit material for this newsletter to the editor. Anything related to our hobby, be it model reviews, tool reviews, subject stories, museum tours, let's see it! We will gladly work with you and see that your material is put into print and included in the newsletter, no matter your level of writing experience or computer expertise. Any Word or text document is suitable for publication. Please do not embed photos or graphics in the text file, submit as single, separate files. Articles can also be submitted via e-mail, to the editor [email address](#). Deadline for submission of articles is generally twelve days prior to the second Saturday of the month - earlier would be appreciated! Please email if you have any questions.

If you use or reprint the material contained in the newsletter, we would appreciate attribution both to the author and the source document. Our newsletter is prepared with one thing in mind; this is information for our members, and all fellow modelers, and is prepared and printed in the newsletter in order to expand the skills and knowledge of those fellow modelers.

Other Modeling from Around the Sound...

Northwest Scale Modelers (NWSM)

The Northwest Scale Modelers meet monthly at the Museum of Flight in Renton. Modelers of all genres are welcome to attend. Please see their website for more information: [NorthWest Scale Modelers \(nwsm.club\)](http://NorthWestScaleModelers(nwsm.club))

Seattle Armor Modeling and Preservation Society (AMPS)

The Seattle Chapter of AMPS holds monthly meetings and occasional build sessions that modelers of all genres are welcome to attend. Please see their Facebook page for more information.

Galaxy Exiles Sci-Fi Modelers

The local Sci-Fi modeling community is served by this club located in the North End. Modelers of all genres are welcome to attend. For more information, please contact John Morel at johncmorel@gmail.com or see their Facebook page for more information.

More Photos from the Spring Show

ZOOM!

During (and since) the Pandemic, modelers from all over have been meeting online via Zoom sessions. Between our two local clubs, (IPMS and NWSM), the TNI group, the Galaxy Exiles, plus IPMS clubs in Oregon, there are Zoom meetings just about every night. These sessions are joined by other modelers from across the country, as well as overseas – I think St. Petersburg is the farthest way? These are less meetings than simply build sessions where we share ideas, techniques, etc. – like a bunch of little old modeling ladies. [We discuss our current projects, how to solve modeling problems, new techniques, tools, paints, and kits.](#) We try to keep politics and religion out of the conversations, and that really makes the sessions fun and relaxing. These Zoom sessions are open to everyone. The Monday/Wednesday/Thursday sessions normally have between 8 and 15 attendees at any given time, and the big (Thursday) build sessions last 7 hours (2pm through 9:00pm). Modelers come and go, break for dinner, or to walk the dog, etc. The build sessions continue in the background, allowing modelers to join at their convenience.

A lot of modelers with a [wealth of experience who can help solve just about any model-related issue.](#) And a great group of people!

Joining a Zoom session takes a single click of a mouse, once you are all set up. First, it is recommended that you download a free copy of Zoom and install it on your device first. Having a local copy is not required but makes everything a little easier to use. Once that is done, all you need is a very basic setup that includes camera, microphone, and speakers (normally all built-in, especially with newer devices). Then just click on one of the links below!

Mondays: Seattle, WA IPMS 2pm – 5pm [LINK](#)

Tuesdays: Salem, OR IPMS 6pm – 10pm [LINK](#)

Wednesdays: Seattle, WA IPMS 2pm – 5pm [LINK](#)

Thursdays: Seattle, WA IPMS 2pm – 9pm [LINK](#)

Albany, OR IPMS - Odd-numbered Thursdays (i.e., 1st, 3rd, and 5th) from 6pm - 10pm. [LINK](#)

Saturdays: Salem, OR IPMS 6pm – 10pm. [LINK](#)

Upcoming Meeting Dates

The IPMS Seattle 2024 meeting schedule is as follows. All meetings are on Saturdays at North Bellevue Community Center from 10:30 AM to 1:30 PM, except as indicated. To avoid conflicts with other groups using our meeting facility, we must NOT be in the building before our scheduled start times, and MUST be finished and have the room restored to its proper layout by our scheduled finish time. We suggest that you keep this information in a readily accessible place.

May 11, 2024

June 8, 2024

July 13, 2024

August 10, 2024

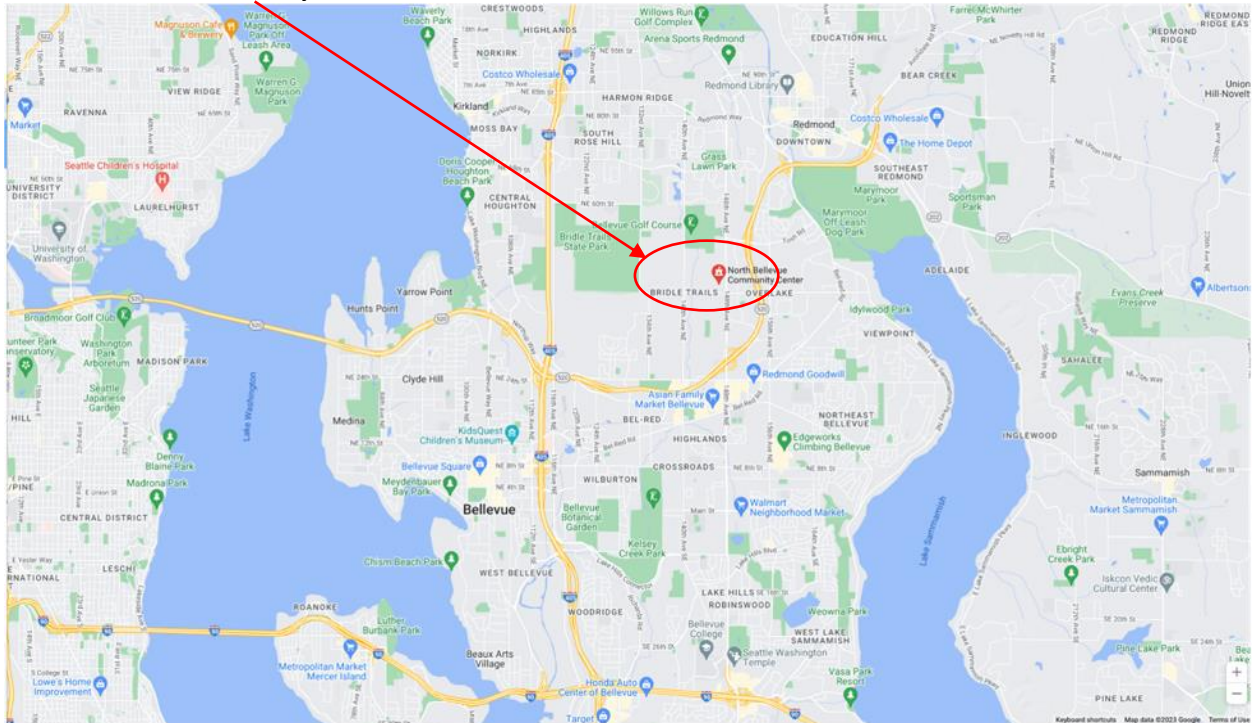

Next Meeting: May 11, 2024– 10:30 AM to 1:30 PM

North Bellevue Community/Senior Center, 4063 -148th Ave NE, Bellevue.

Map Link: <https://goo.gl/maps/RSGcMggWNBmTUe6T9>

Site Link: [North Bellevue Community Center | City of Bellevue \(bellevuewa.gov\)](http://North Bellevue Community Center | City of Bellevue (bellevuewa.gov))

North Bellevue Community/Senior Center, 4063 -148th Ave NE, Bellevue

Directions to NBCSC: From Seattle or from I-405, take 520 East to the 148th Ave NE exit. Take the 148th Ave North exit (the second of the two 148th Ave. exits) and continue north on 148th until you reach the Senior Center. The Senior Center will be on your left. The Center itself is not easily visible from the road, but there is a signpost in the median.

Join IPMS/USA

Why Join IPMS/USA?

IPMS/USA is the United States Branch of the International Plastic Modelers' Society, whose roots can be traced to the startup of the first IPMS National Branch during the 1960's in Great Britain. In 1964 a US-based modeler applied for a charter to start the US Branch. In the ensuing five decades, IPMS/USA has become a 4,600-member, all-volunteer organization dedicated to promoting the modeling hobby while providing a venue for modelers to share their skills in a social setting, along with friendly but spirited competition in the form of local, regional, and national contests and conventions. As this is written, there are over 220 active US chapters (including groups in Canada and the Philippines as well as one "cyber-chapter" existing entirely on the internet). These chapters are organized into 13 geographically-determined Regions, overseen by Regional Coordinators. The IPMS/USA Executive Board, made up of elected and appointed members, serves as the overall governing body for IPMS/USA.
