**Wants & Disposals** – If you have a want or disposal of a kit, book, or supplies, please call (513) 489-5387 or send email to: [rschorry@cinci.rr.com](mailto:rschorry@cinci.rr.com)

**VA project(s)** – The Cincinnati Scale Modelers VA Support group (CSMVASG – got a better acronym?) continues to staff model building sessions at the VA hospital in Clifton. Volunteers work with veterans on the scale modeling hobby, helping them build, share stories, etc every Tuesday from 9 – 11:30. Call Tom Owens if you are interested in helping. (513) 351-1582

The VA Medical Center always needs kits appropriate to the skills of the patients. Just now a new bunch has started building so snap-tite or easy build kits would be a help, if you have any to donate.

**Interested in writing an article or taking photos?** The *CSM Debrief* is looking for original info on models, workbench techniques, or Roadside Relics you may see. Send them to the editor for possible publication. The “Debrief” is available by post or email (to save postage, trees, and hassle, I recommend email!). It is also posted each month on the CSM club website. We also have a Facebook page, so search for “Cincinnati Scale Modelers.”

## Some photos from the December meeting

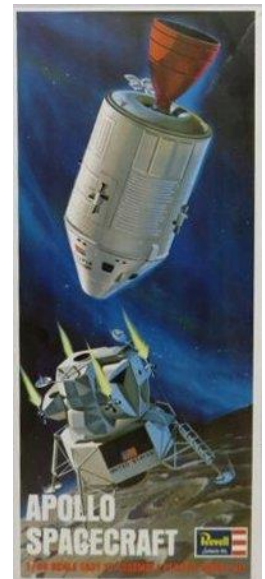

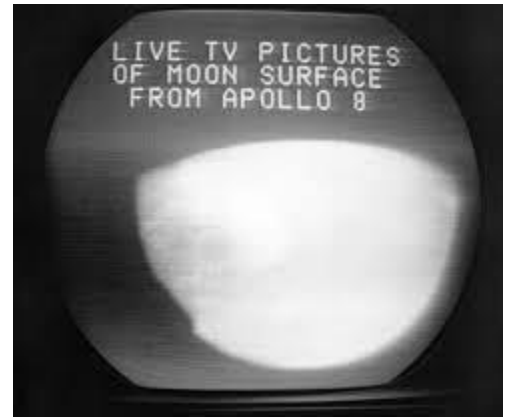

## 50 Years Ago by Rob Schorry.

The crew of Apollo 8 - Frank Borman, Jim Lovell, and Bill Anders - orbited the Moon, the first humans to do so (as well as the first to ride a Saturn V).

They circled the Moon ten times in twenty hours and then returned home, paving the way for the first lunar landing less than seven months later. While 'out there' they photographed the lunar surface, tested their spacecraft, and made a memorable television broadcast on Christmas Eve. I was 13 years old\*, and watched with amazement.

I had already built the 1/96 scale Revell 'Apollo Spacecraft' as well as the larger 1/48 scale version.

It is reported that Revell will be reissuing these classic kits. Dragon issued a series of spacecraft kits in 1/72 scale a few years ago and they will be reissuing those this Spring.

\* Some of you reading this may recall where you were at Christmas of 1968, and you may have been in the 'resorts' of South Vietnam or Thailand, or other similar garden spots in Southeast Asia.

**Join IPMS/USA!** IPMS/USA is dedicated to the hobby (and fun) of Scale Modeling. The organization was started in 1964. There are now branches of IPMS all over the world. Local Regions and Chapters sponsor Model shows and contests every year, but you needn't be a national member to visit the shows or attend the club meetings! With IPMS/USA Membership, you will receive the outstanding IPMS/USA Journal 6 times a year, including topics on all scale modeling subjects such as aircraft, armor, automotive, ships, sci-fi, and figures. You will also find listings of IPMS contests, swap meets, hints and tips, and reviews.

Membership qualifies you to participate in IPMS/USA sanctioned contests, and in the **National Convention**, held each summer. As a member, you'll also be able to access our online Discussion Board, where a wide variety of modeling topics are discussed, and enjoy interaction with other serious modelers for help with questions about modeling techniques or the Society in general. Many Hobby Shops and Model Vendors around the USA offer discounts to IPMS/USA Members. Memberships are available in several types:

Junior: 17 years old or Younger, \$17.00 per year

Adult: 1 Year \$30.00, 2 Years \$58.00, 3 Years \$86.00

Family: Adult Membership plus \$5.00 (Additional Membership cards as requested)

Canada or Mexico: \$35.00 per Year Foreign: \$38.00 per Year (Journal via Regular Mail)
