President: Mike Ward m1ward@cinci.rr.com	Treasurer: Tom Owens towens@cinci.rr.com
Vice President: Dave Reeves dlreeves29@gmail.com	Membership: Ted Everett ceverett@fuse.net
Secretary / Editor: Rob Schorry rschorry@gmail.com	

Our **next meeting** will be on **Sunday, October 6, 2019** from 2 – 4 PM. The club meets at Eastminster Presbyterian Church, 4600 Erie Avenue, Madisonville, Ohio 45227.

On the Modeling Bench:

- Revamp CSM website: Dave Reed is working on a new website as our old one is a bit long in the tooth.
- Annual Cincinnati Scale Modelers membership fees are \$15. You do not have to join the national organization to join our club.
- IPMS/USA national membership fees are \$30 per year and include the IPMS/USA Journal. If you are a member of the IPMS/USA you can enter models into the national contest. See www.ipmsusa.org for details.
- You can pay your dues, or make other payments, such as for a vendor table at our contest. Go to the club website and select the “Shopping” tab and “Pay 2019 dues”.
- Short range: **CSM Model Contest & Swap Meet** – Saturday, October 19, 2019
- Please consider donating your ‘never will I built it’ kits to the club for raffles or to the VA project.

In the Paint Booth:

- Check out the apparel page on our webpage and click on the logo to shop for CSM club apparel. It is a simple order setup, and then you are ready to order items.
- We will be building a pictorial directory of our members (Who *is* that?). Expect to have your photo taken. Those in a Witness Protection Program can opt out. 😊
- Might we have a ‘group build’ challenge from time to time? Such as a kit-bash challenge?

Contest - On Friday Oct. 18 at 6 PM we will set up the Scarlet Oaks cafeteria as our contest room. Please, come to help get things ready for the contest on Saturday Oct. 19.

For the contest, please volunteer to help with registration, raffle, judging, and tear down. Many hands make the work light and will help to give our visitors a great contest experience. Oh, and wear club apparel if you have any. Thank you.

Visitors / New Members - At the September meeting we had plenty of visitors: Phil Rigg, Steve Smith, John Warden, Mike Long, and Gary Orcutt. Gary, Mike, and Phil joined too!

Raffle - There will be no raffle at the October meeting, so we can dedicate kits to the contest raffle.

Wants & Disposals – If you have a want or disposal of a kit, book, or supplies, please call

(513) 489-5387 or send email to: rschorry@cinci.rr.com

VA project(s) – The Cincinnati Scale Modelers VA Support group (CSMVASG – got a better acronym?) continues to staff model building sessions at the VA hospital in Clifton. Volunteers work with veterans on the scale modeling hobby, helping them build, share stories, etc. every Tuesday from 9 to 11:30. Call Tom Owens if you are interested in helping. (513) 351-1582

The VA Medical Center always needs kits appropriate to the skills of beginners. Just now a new bunch has started building so snap-tite or easy build kits would be a help, if you have any to donate.

Interested in writing an article or taking photos? The *CSM Debrief* is looking for original info on models, workbench techniques, or Roadside Relics you may see. Send them to the editor for possible publication. The “Debrief” is available by post or email (to save postage, trees, and hassle, I recommend email!). It is also posted each month on the CSM club website. We also have a Facebook page, so search for “Cincinnati Scale Modelers.”

2019 CSM Contest Rules

1. Models that have won or placed at IPMS Nationals, regional's or past CSM events may not be entered, but, may be displayed at no cost
2. Pre-assembled or partially-assembled scale replicas and die-cast models are eligible for competition only if, in the opinion of the judges, they contain significant changes in structure, paint scheme and markings so as to represent the handiwork and skills of the modeler, *not the manufacturer*
3. Entries will be judged using the following criteria: Basic construction, overall finish, additional detailing, authenticity, and degree of difficulty. Scratch built detail will be favored over commercially manufactured detail if quality is comparable. Extra detail will not make up for a poorly constructed model. IPMS National Rules shall be considered as guidelines.
4. Contest registrars shall determine the classification of each entry. In the event of questions regarding placement, the Head Judge will have the final decision. The following guidelines will be observed:
 - a. Markings will determine service, nationality and civil vs. military usage.
 - b. Jet includes rocket-powered craft.
 - c. Military missiles are considered artillery.
 - d. Emergency vehicles (police/Fire etc.) will be considered commercial vehicles.
 - e. Hypothetical models will be entered into the most appropriate Category / scale.
 - f. Vacuform models will be considered scratchbuilt / conversions.
5. Bases WILL NOT be considered in the judging of models entered in non-diorama Categories. However, entries where the base is deemed by the judges to be a predominant feature of the model or those depicting a scene MAY BE MOVED at the judges discretion to the appropriate Diorama Category. All dust covers must be removed prior to judging.
6. Scratchbuilt, Conversion, & Major Modifications Category:
 - 6A. A "Conversion" entry must contain significant structural changes involving extensive changes in contour or configuration. Entries using aftermarket parts or kits to effect the conversion will be included in this classification.
 - 6B. "Scratchbuilt" entries may use parts from existing kits but their use should be unrelated to their original purpose, with the exception of guns, wheels, tracks, etc...
7. An individual entrant may not win more than TWO awards per Category or split category.
8. Cincinnati Scale Modelers club members will be eligible for only one award in a Category or split category.
9. The Judges' decisions are final. Interference with the Judges can result in an entry's disqualification.
10. A Category must have at least 3 separate contestants to be judged. In the interest of competition, at the judges' discretion, entries in an underrepresented category may be combined into another similar Category. Also, at the judge's discretion, a category may be judged and awarded if the models represented in the category can't be realistically judged because the model types are considered too dissimilar in type.
11. Cincinnati Scale Modelers/IPMS Cincinnati, its members, agents, or officers assume no liability nor responsibility in the case of accidents involving attendees, equipment, merchandise, models, displays nor for property lost, stolen or damaged.

Join IPMS/USA!

IPMS/USA is dedicated to the hobby (and fun) of Scale Modeling. The organization was started in 1964. There are now branches of IPMS all over the world. Local Regions and Chapters sponsor Model shows and contests every year, but you needn't be a national member to visit the shows or attend the club meetings! With IPMS/USA Membership, you will receive the outstanding IPMS/USA Journal 6 times a year, including topics on all scale modeling subjects such as aircraft, armor, automotive, ships, sci-fi, and figures. You will also find listings of IPMS contests, swap meets, hints and tips, and reviews. Membership qualifies you to participate in IPMS/USA sanctioned contests, and in the National Convention, held each summer. As a member, you'll also be able to access our online Discussion Board, where a wide variety of modeling topics are discussed, and enjoy interaction with other serious modelers for help with questions about modeling techniques or the Society in general. Many Hobby Shops and Model Vendors around the USA offer discounts to IPMS/USA Members. Memberships are available in several types:
