

Greetings my fellow modelers and club members.

I hope everyone is having a nice, as well as productive summer. Our D-Day Memorial Demo will be rescheduled due to the excessive heat that has gripped the region. We'll keep ya posted to the new date and time.

If anybody could write up a kit review, book review, or anything of interest, please send it to me for the newsletter. Remember, I am always in need of articles.

A Message From The R2 Coordinator...

Hey guys... :o)

Hope everyone is getting ready for Nationals. Don't forget to give time for that paint to dry. ;o)

While I have your attention, please take a few minutes to communicate to your club members that it is time to elect new officers (or re-elect current officers) to the National board. These folks work tirelessly (and without pay) to keep our organization running.

In your current IPMS Journal you will find a ballot for officer selection. Please fill out and send in.

Please mention this in your next newsletter as well as in any housekeeping communiques you send to your members,

Hope to see you in Chattanooga next month.

Keep modeling!!!

Tim
